Control Details

Cybersecurity Governance			
Code	Title	Status	Evidence
1-1-1	A cybersecurity strategy must be defined, documented and approved. It must be supported by the head of the organization or his/her delegate (referred to in this document as Authorizing Official). The strategy goals must be in-line with related laws and regulations.	PENDING	haseen.txt Ambersand diagram_3.pdf Evidence file: Ambersand diagram_3.pdf Ambersand Prompt.pdf Screenshot 2025-08-26 160202.png
1-1-2	A roadmap must be executed to implement the cybersecurity strategy.	PENDING	No evidence
